Our employees are our success!

Employees benefit from exciting careers and future-oriented development opportunities. Individual further training, job security and a good corporate culture make us one of the best rated employers in Austria.

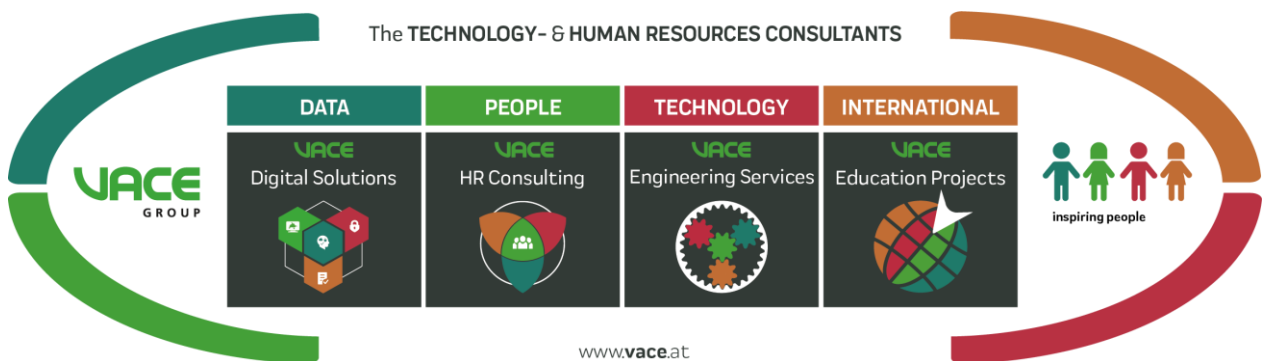

Thanks to our **ROOTS IN INDUSTRY** and our long-standing co-operation with **INTERNATIONAL COMPANIES** we are able to recognize challenges early on and find adequate solutions. This saves our customers time and money. We give them security and enable them to concentrate fully on their core business. In this way we increase their profitability and improve their competitive standing.

We are a leading Austrian

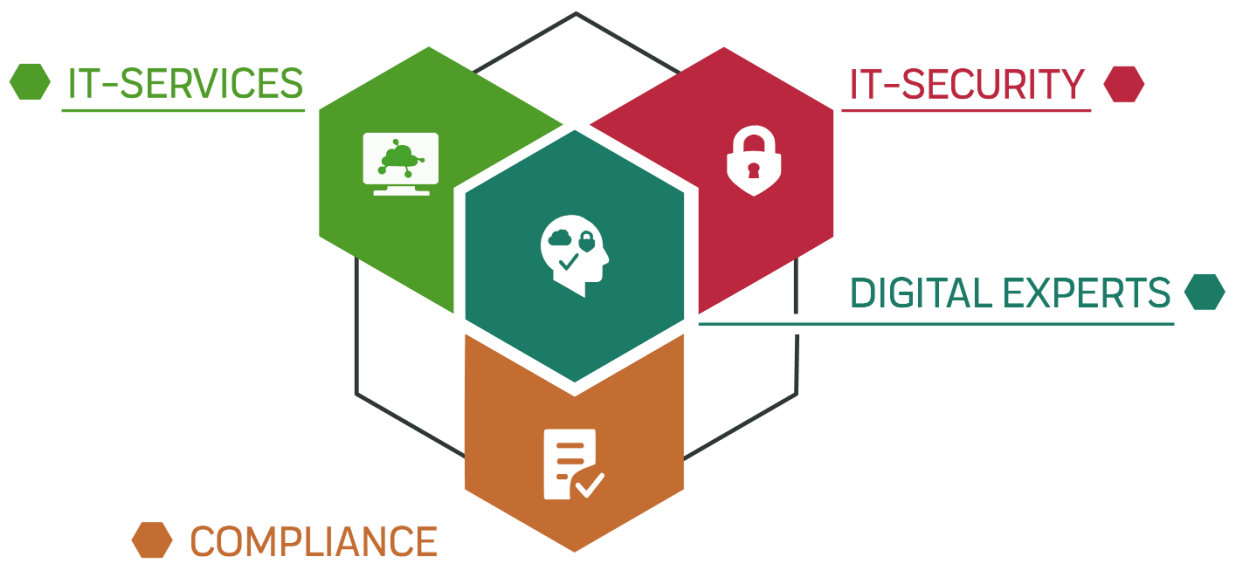

**TECHNOLOGY & HUMAN RESOURCES
CONSULTANT GROUP**

Our 1,000 internal & external experts support our customers in digitalization, in plant construction, in international training projects and via human resources consulting have a direct effect on the projects and organization of our customers.

Digitalization with the required data security in the foreground

VACE Digital Solutions has answers to questions from the fields of Compliance, IT Security and IT Services. In this respect we assist both national and international companies. Thanks to our relevant experience, certified experts, competent consulting and tailor-made comprehensive solutions we are convincing. VACE Digital Solutions helps you achieve corporate objectives without your having to acquire extensive know-how in the areas of IT, security, data protection and other compliance issues.

The best employees at the right time and in the right place

VACE HR Consulting is the added value connecting our customers and applicants in order to match professional and personal skills and harmonize them successfully.

VACE among the 300 best employers in Austria in 2019

Source: current ranking of TREND, Statista, XING & kununu

- 3rd place:** Services & Support
- 4th place:** Internet, Telecom & IT
- 5th place:** Mechanical & Plant Engineering
- 46th place:** Total Ranking
